GC Housing Board Adopts Higher Income Limits

A schedule of new income limits for admission and continued occupancy at Kitchpatrick Homes federal low income housing project was adopted Monday night by the Granite City housing board.

Under the new schedule a family of four may have an annual income of \$4500 for admission and \$5625 for continued occupancy, as compared to previous limits of \$3800 for admission and \$5125 for continued occupancy. The income limits were set by the Public Housing Administration following an exhaustive survey of local area incomes, and allow for exemptions.

The old schedule set income levels of \$3600 to \$4750 for families of two, and \$4100 to \$5375 for families of five or more persons; and under the new limits, the range is for one person — \$3000 to \$3700; two persons — \$3600 to \$4500; three persons — \$4100 to \$5125; four persons — \$4500 to \$5625; five persons — \$4800 to \$6000; six persons, \$5000 to \$6250, and seven persons or more, \$5100 to \$6375.

With the setting of the new limits, it was pointed out the higher scales for continued occupancy are necessary in order to permit a family to better itself and still not be faced with moving and paying higher rent. "You can see the pay scale for a family of seven is not out of line when the cost of living is considered," a spokesman for the board said.

Before establishing the new limits, PHA officials surveyed the local area for cost of living figures and average pay scales.

Slim Vote Elects Hershey To Court

Justice Harry B. Hershey accumulated 353 votes in Madison county Monday in the Second District Illinois Supreme Court election. The Democratic candidate was unopposed on the 21-county Second District ticket.

The unopposed candidacy brought a light vote, with only 358 votes cast. The Taylorville native was assured of re-election to a nine-year term on the state's highest court.

Canvass at the Madison County courthouse — the only polling place — was completed 45 minutes after the polls closed Monday at 6 p.m. One ballot contained a write-in vote for Granite City Court Judge Fred P. Schuman. Four others were declared invalid by the nine election judges.

Other justices elected to the Supreme Court were Chief Justice Byron O. House, Roy J. Solisburg, Walter V. Schaefer and George W. Bristow. House defeated state Senator James W. Gray of East St. Louis in the First District.

Counties other than Madison voting in the election of Judge Hershey were Bond, Calhoun, Christian, Clark, Clay, Crawford, Cumberland, Effingham, Fayette, Green, Jasper, Jersey, Lawrence, Macoupin, Marion, Montgomery, Pike, Richland, Shelby and Scott.

John Downing, 55, Passes Away Tuesday

John Downing, 55, of Rural Route One, Granite City resident for 24 years, died at 6 p.m. Tuesday after a month's illness. Death was attributed to a heart attack.

A native of Murphysboro, Ill., Mr. Downing was a locomotive engineer at Granite City Steel Co. He was a member of Masonic lodge 855, New Hope Eastern Star, the Shriners, Scottish Rite, White Shrine and the United Steelworkers union.

He is survived by his wife, Mrs. Ola Downing; his mother, Mrs. Lucy Roberts of Murphysboro; a son, Walter Downing, of Granite City; a brother, Sylvester Conte of East St. Louis; a sister, Mrs. William Maynor of Murphysboro; and two grandchildren. Funeral arrangements are given in today's obituary column.

Walter Lowell, 5, Passes Away Yesterday

Walter "Wally" Lowell, 5-year-old son of Mr. and Mrs. Robert Lowell, 4485 Highway 162, died of conditions resulting from a brain tumor Wednesday at 2:45 a.m. at St. Louis Children's Hospital.

Born in Granite City, the youth underwent an operation for the tumor two months ago and spent the remaining time in the hospital.

He is survived by his parents; one brother, Robert Eugene Lowell Jr.; his paternal grandparents, Mr. and Mrs. Walter Lowell of Granite City; and his maternal grandmother, Mrs. Gustave Lignoul of Granite City. Funeral arrangements are given in the obituary column.

Farms Hamper Fast Rise In Russian Economy — Jeffrey

Russia is catching up with the United States economy and production in some fields but is hampered because a larger share of its work force is devoted to farming, Col. Jack C. Jeffrey, Engineer Depot commanding officer, told Granite City Rotarians Tuesday.

"Our gross national product is growing at an annual rate of 3.7%, compared to Russia's 7%. At the present rates, they would pass us by 1974 or 1975 in total production but not in per capita production. They can begin to give us trouble in the foreign aid area. At present, compared to annual free world trade of \$3 billion dollars, the Soviets have eight billion in trade within their bloc and there is heavy competition between the free and Soviet blocs.

"United States production consists of 48% service and trade, 41% industrial and construction, 6% transportation and 5% agriculture, compared to Russia's 31% in service and trade, 37% industrial and construction, 5%

transportation and 27% agriculture," Col. Jeffrey noted, adding that American farm efficiency is much greater than that of Soviet farms.

"Our practice is to permit each individual consumer to determine how much gross national product will be consumed. Although Russia has a much lower standard of living, it is spending 17% for defense and 9% for government administration, for our 10% and 3. And it is investing 25% in improvement and growth, plowing this much back to expand its economy, to our 19%."

One factor in Russia's large number of employees is that more of its women work, the speaker said, adding that the United States almost matches Russia in manpower because a higher percentage of the U. S. population is male. Reducing farm workers, America has a larger number of workers, he reported. He was introduced by Muri Anderson, program chairman.

Four Charged With Careless Driving

Four motorists have been arrested for going around the barricade placed at Broadway and the railroad tracks in Venice. Police said they were charged with careless driving.

The persons who were released on bond pending hearings were: Leonard Parrott, St. Louis; Burt Bailey, St. Louis; Sam Logan, 520 Madison street, Lovejoy, and Reginald Clark, 2117 Benton street.

When the United States battleship Massachusetts was built in 1940, about 100 tons of paper was used in its construction — 16 tons for blueprints alone.

Work To Be Started On Melrose Drainage Line

Authorization for immediate construction of a drainage line along Melrose avenue was given Monday night by Granite City council members, acting on request by Eighth Ward Alderman Emerald Daves.

The project had been delayed after the opening of bids last May 2, pending adoption of a new budget for the city. The contract was awarded to G. H. Sternberg & Co. on a low bid of \$4027.

Daves pointed out that recent rains again had flooded the

Melrose avenue area and he saw no reason for delaying the start of construction. He pointed out that by undertaking the work immediately, the street department could carry out its summer maintenance work on schedule.

"It would be a shame," Daves said, "if the street was improved and then had to be excavated for the sewer line."

The storm water drainage line is to connect onto an existing trunk along West Pontoon road that empties into the Namok creek water drainage ditch.

Two GC Men Receive Washington U. Certificates

Two Granite City residents are among 148 students in University College, adult education division of Washington University, St. Louis, who were presented with certificates recently.

Ralph Astorian, 1716 Maple street, was conferred a certificate in business administration, and Philip Harold Heath, 2323 Birch, received a certificate for junior collegiate studies.

Parking Restrictions Planned

One Block Of 24th Parkway Street To Be Resurfaced

Resurfacing of a one-block section of the 24th street parkway and several parking restrictions, including a parking ban along 23rd street, between Madison avenue and Iowa street, were proposed during Monday night's session of the Granite City council.

Alderman Paul Rutledge pointed out the concrete pavement on the north (westbound) street at the parkway, between Cleveland and Delmar avenue, is bad enough and called for the city engineer to submit a cost estimate and specifications for a call for bids.

The parking ban for the one block of 23rd street is to avoid congestion at the emergency vehicle exit at the new fire station. An ordinance is to be prepared and is to include a request by Alderman Mrs. Gabrielle Beilner for a parking limit on the west side of the 3000 block of Madison avenue where there has been all-day parking in front of commercial places in the block. The biggest complaint, Mrs. Beilner said, is the Granite City high school student parking.

A stop sign request was made by Alderman Cassner Skubish to be located on Henry street at its intersection with East 27th street. An ordinance is to be prepared.

Application is to be made with the state highway department seeking arterial designation for West 23rd and West 24th streets in order to carry out improvements with motor fuel tax funds.

Alderman Rutledge said traffic has increased on both streets.

Subject to approval by the state highway department, permission was granted for enlargement of a driveway at Brewer Motor Co. to provide access to the firm's used car lot. The request was for a 70-foot driveway at 2165-67 Madison avenue.

Man Committed For Sex Offense Here Oct. 31

A 34-year-old Gary, Ind. man, on trial to determine if he was a "sexually dangerous person," was sentenced Tuesday in Judge Harold R. Clark's circuit court at Edwardsville to the custody of the Illinois Department of Public Safety.

The sentence was given to Raymond Nunez after Dr. Abraham Simon, psychiatrist, read a diagnosis report on Nunez to the court. Nunez was charged with indecent liberties and aggravated assault concerning a seven-year-old Granite City girl, occurring last Oct. 31. The girl was badly injured.

Nunez was indicted on the charges last Jan. 23.

Minor Accident Today At 21st And Grand

No injuries were sustained in a minor accident at 21st street and Grand avenue at 7:50 this morning.

A car driven by Carol Squires, 20, of 2615A Grand avenue was making a left turn off 21st street onto Niedringhaus avenue and was hit in the left rear by a car driven by Thomas E. Wood, 22, of 920 McCambridge avenue, Madison, police said.

The Squires auto, traveling west on 21st street, was slightly damaged on the left rear fender, and the car driven by Wood, traveling north on Grand avenue, sustained light damage to the front.

Dog, Splinter, Fish Cause of Accidents

A dog, splinter and a fish caused an array of injuries treated at St. Elizabeth Hospital Tuesday and Wednesday.

Bert Doty, 26, of 223 Gordon street, Edwardsville, was treated for a cut on his right middle finger, resulting from a steel barrel. Melba Brown, 55, of 2102 Washington avenue, suffered a broken foot when she snapped her ankle at her home.

A splinter was retrieved from the hand of Henry Bailey, 53, of 2830 State street, which became imbedded as he was cleaning a fish. The splinter was removed, the wound cleansed and Bailey was released.

David Strube, 10, son of Carol Strube of Belleville, was treated for a dog bite on the right leg. He was released following treatment.

Bus Zone Added

Two-Way Traffic Still Pending In Downtown GC

Council members discussed briefly Monday night the new two-way traffic program for the business district, but no date was set for the changeover.

Mayor Davis said the procedure for movement of traffic has been referred to the police department with authority to make any emergency changes as needed to eliminate problems.

"All we have specified," the mayor said, "is that any new signs needed, such as 'no left turn, be large and the order for' signs should be placed within a few days.

"After the arrangement is completed, plenty of time will be available to publicize the changeover," the mayor said, "and the motoring public also will be kept informed of any adjustments made to correct any problems which might arise."

During Monday night's council session, the aldermen did approve a bus zone on the north side of 19th street east of State street. The zone was requested by the Associated Retailers, the mayor pointed out, in view of opposition by Alderman Samuel Whitney, chairman of the Street and Alley committee.

The mayor urged cooperation in the two-way street program and the bus zone, all of which were requested by the Retailers. "We should go all out and let them prove to use that two-way

streets are needed. This bus zone is part of the overall program.

Also opposing the bus zone was Alderman Walter Norn, who said "the city shouldn't permit busses to plug 19th street like the street cars did."

Whitney said the distance along 19th street is short and the bus zone at Edin avenue should be sufficient. He pointed out other merchants wanted zones in front of their stores, "not realizing they might be reducing the number of parking spaces for customers not only at their own stores but also at other places."

The mayor stressed changes in the new traffic structure of the downtown district could be made at any time, and that any program outlined at present would not necessarily be permanent.

The added bus zone was approved by a 10-to-4 vote.

Drivers Seek Stickers As Deadline Approaches

The sale of city auto license stickers is still booming as the June 15 deadline draws near, reports Granite City Clerk A. J. Stevens.

About 600 stickers were sold in the last 2½ days, after police announced that a drive would start next week against auto owners failing to display the new windshield stickers.

Sale of the stickers, which cost \$3 for autos and varying amounts for trucks, is well over half the expected total. The police arrest campaign will start next Wednesday.

Appeals For Donations To Girl Scout Camp Fund

An appeal to private citizens for donations to the Tri-City Girl Scout Council's \$30,000 drive for improvements at the Girl Scout campsite, Camp Lakota near Glen Carbon, was issued today by the general fund drive chairman, Alex Schenck.

"Our biggest need is for a large number of small cash contributions from individuals," Schenck said. "We have the business, industry and labor divisions covered pretty thoroughly, and are expecting further reports from them within the next week."

As of today, total donations to the drive, proceeds of which are to be used to complete a winter lodge, install a pump house and improve grounds at camp Lakota, totaled slightly more than \$17,500, or 58% of the goal.

Postmen, Union Starch Open With Victories

The Granite City Post Office and Union Starch and Refining Co. kicked off the Industrial Softball league season at Lee Park in Venice last night with wins over Granite City Steel Co. and A. O. Smith Corp.

The Postmen downed GC Steel in the first game 4-2, and Union Starch's Oren Harrison shut out A. O. Smith on four hits in the nightcap, 10-0.

Don Crabtree and Carroll Tingley divided pitching chores for the Post Office, Tingley hurling the final five innings and picking up the win. The winners had only four hits, with

Andy Angeloff collecting two of them and scoring two runs. Jim Childers was the loser in relief for GC Steel. Tom Campbell homered for the losers with the bases empty in the seventh.

Harrison helped himself to victory in the second game with a pair of doubles, while batterymate Ray Mercer had two hits, including a triple. The game was called at the end of six innings on the 10-run lead rule.

Ed Grondski, Peevee Powers, Harry Smith and John Lipinski divided A. O. Smith's four hits between them. Lipinski was the losing pitcher.

Next Wednesday evening, A. O. Smith will play GC Steel and the Post Office will meet Union Starch. Game times are 6:30 and 8 p.m.

Scheduling Complications Plague Jr. Legion Team

Granite City's Junior American Legion baseball squad, Matthews Chevrolet, is having no little difficulty in getting its season started.

First set to open the season Tuesday evening at Wilson Park against the East St. Louis Couglmen, the Matthews squad was forced to revamp its schedule when two new teams — East Alton and Edwardsville — announced plans to become affiliated with the loop.

Manager Joe Summers then drew up a new schedule which called for a season-opener with East Alton there Tuesday. Further complications developed when that game was postponed early Tuesday.

As if that were not enough, Alton's Junior Legion team decided to drop out of the league about the same time. Matthews Chevrolet was scheduled to play the Altonians twice this year, but now has open dates on June 11 and June 23, and a 12-game schedule instead of 14.

One fact is definite, Summers said today. Matthews will open its season at 6 p.m. this evening on diamond No. 1 at Wilson Park, against East Alton.

Melton's 1-Hitter, Homer Spice Class 'B' Softball Play

Neal Melton pitched one-hit ball and survived one inning of wildness as Moose Club 272 came from behind to defeat the Pals 9-2 Tuesday night in a Class "B" league contest at Wilson Park.

The Graniters bunched four of their six hits in the fifth inning to hand the Granite City Steel Credit Union a 5-2 defeat in the first game of the evening.

The Pals picked up a single run when Melton walked four batters in the third, and took a 2-0 lead into the sixth inning. Moose Club rebounded with six big runs in the sixth frame and added two insurance markers in the seventh. Losing Pitcher Mike Schuler gave up eight hits.

Home runs by Bob Page, Irl Martin and winning Pitcher Hank Mitchell helped the Graniters to their victory. Mitchell allowed five hits. Carroll Tingley was charged with the loss.

City Auto Repair, Berthel Win Slow Pitch Loop Games

City Auto Repair blasted 25 hits Monday night and coasted to a 30-8 win over Nameoki Presbyterian Church in a Slow Pitch Softball League game at Wilson Park.

The winners batted around twice in the first inning, scoring 20 runs off losing Pitcher Steve Hardsky. Verlin Wadlow scattered 10 hits to pick up the victory.

VFW Post 1300 outfit Berthel Community 11-10, but came out on the short end of an 11-4 final score in another Slow Pitch contest Monday night. Frank Zaruba went all the way to record the win, while Berthel's Tom Nesbit was charged with the loss.

Maxvill Signs With Cardinal Farm Club

Dallen Maxvill, 21, son of Mr. and Mrs. Harold Maxvill, 1641 Edison avenue, will depart tomorrow for Grand Forks, N. D., where he will join the Winnipeg team in the Northern class "C" baseball league.

The Washington University student, who is one semester away from obtaining a degree in electrical engineering, was signed by the St. Louis Cardinal farm club "for a small bonus and a good monthly salary" this week.

He will join Winnipeg, which is in the midst of a race, and continue with the club until September, returning to WU at that time to complete work toward a bachelor of science degree.

Maxvill's work at shortstop for Washington University's Bears and for Granite City Sacred Heart in the Southwestern Illinois Inter-City league, has long had the attention of major league scouts.

This year alone, Maxvill received offers to sign with farm clubs of the Giants, Phillies and Redlegs. Last year, the Washington Senators flew the fancy fielder to the nation's capital for a tryout.

Maxvill graduated from Granite City high school in January 1957. He was a regular member of the Sacred Heart infield for the past five years and was varsity shortstop with the Bears for four seasons.

"I intend to make baseball a career — if I feel myself that I'm not wasting my time," the quiet, personable Maxvill said today. "But I owe my family a lot for getting through school, and definitely intend to finish work on my electrical engineering degree." Maxvill added that he also is contemplating doing some work toward a master degree in business administration.

Ecama Hi-Y Club, Ricks Market Win

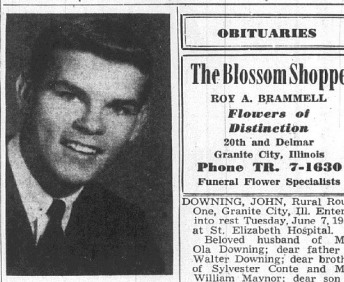

Ecama Hi-Y Club and Ricks Market came out on top a pair of high-scoring openers in the Senior Teenage softball league last night on the Wilson Park diamond.

Ecama downed Roca Club 16-9 in the first game, with Jim Harris going all the way for the winners. Larry Todoroff was behind the plate. Bill Fowler was the losing pitcher, with Vic Buehler doing the catching for Roca Club.

Ricks Market banged out 13 hits in the course of a 12-7 win over the Warriors. Bill Scarsdale allowed nine hits in a winning effort. Bob Hofek caught for Ricks. Bob Baker was the losing pitcher, with Pat Schuman his batterymate.

DISPLAYING GOOD FORM — Leonard Davis gets fair height above trampoline installed at new outdoor rebound apparatus center which opened this week at Adams street and Niedringhaus avenue. Looking on is Tri-City Chamber of Commerce President Samuel Meyer. Commented Mayor Davis as he bounced: "This is the first time I've been on one of these things." Replied Meyer after several unsteady attempts on the trampoline: "This is no sport for an old man."

BRUCE BOSTON, 1956 graduate of Granite City high school, who was named head basketball coach at Girard, Ill., this week.

Minister Hurls Baptist League Softball Win

Rev. W. L. Showers of Second Baptist Church pitched his church team to a 14-4 win over Calvary Baptist Tuesday night as the local Baptist Softball league opened the season with two games at Lee Park in Venice.

In Tuesday's other contest, Meadow Heights Baptist of Collinsville stopped First Baptist of Granite City 15-3. Ed Randolph was the winning pitcher, and Lloyd Whitworth the loser in relief.

Grace and Emmanuel Baptist will tangle at 8:15 tonight in the only game remaining on the league's schedule. The seven-team league has games scheduled each Tuesday and Thursday evening at Lee Park.

Unusual Hit-Run Accident Last Night

An auto belonging to Jesse T. Bradford, 28, of 2130 Cleveland blvd., was damaged about 12:15 a. m. today in a freak hit-run accident.

The report to police states the hit-run vehicle, a blue 1952 or 1953 auto, was traveling south on Cleveland blvd., stopped and backed into Bradford's car and then sped off with the trunk lid flying open.

Bradford said there was damage to the left front of his auto, which was parked in front of his home.

Site Picked For Tri-City Park Playground Equipment

A location for new playground equipment to be placed at the Tri-City Park area playground was selected last night by Granite City park district commissioners during a meeting at the park office.

Bary Loman, president of the board, said the equipment will be installed on the higher portion of the triangle tract. The equipment is on hand but a date for the installation was not set.

Uniform toys will be worn by life guards at Wilson Park pool this year—navy and red trunks with "guard" lettered on each side and red caps with attached goggles. The pool is to open Saturday afternoon.

In other business last night, the commissioners authorized a set of bleachers to be moved from a Wilson Park diamond to the Nemo Little League diamond.

GC Relief Costs Drop In May

A drop in relief costs for Granite City township in May was reported this week at the office of Supervisor Leonard Oram.

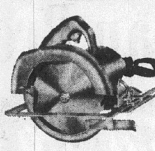

The costs last month amounted to \$2990 for 41 cases with 123 persons, as compared to \$3975 in April for 42 cases with 147 individuals.

The drop in costs resulted in a decline in the number of bills for medical care and hospitalization, it was explained.

Motel Unit Dies, Money Returned

Personal checks amounting to about \$12,000 are being returned to persons who invested in the Tri-Cities Communities' Hotel-Motel, Inc., and the program is being dissolved.

Anthony Michel said the executive board decided to dissolve both the hotel-motel unit and the corporation which had been formed after several members indicated they would rather put their money to "better use."

"The area has a definite need for this unit," Michel said, "but we were completely without a pusher, and were getting nowhere. Some of the investors just wanted their money back."

Michel said the \$750,000 needed to construct the 80-room hotel-motel had been pledged by area businessmen.

"We firmly believe that the organization will get on its feet again," Michel said, "but it will take a promoter and a pusher to keep it going. The potential is here for the unit, there's no doubt about that, and we have the support of the town."

94 New Members Join Chamber of Commerce

The signing of 94 new members was reported by Membership Chairman John L. Sedlak during Tuesday evening's meeting of the Chamber of Commerce board of directors, and the chairman said more are anticipated within a few days to top the 100-new-member goal.

The board meeting, presided over by President Samuel Meyer and attended by 27 directors was held at the Rose Bowl restaurant.

An appeal was made by Henry D. Karandjoff, chairman of the Red Cross Chapter emergency drive for Chilean earthquake victims' relief, for contributions, and announcement was made of a public hearing here June 23 of the Madison county planning and zoning committee.

Richard Reher discussed the tax study being undertaken by a joint committee of Chamber of Commerce, Associated Retailers and Real Estate board members and report the group is continuing its work to determine how to improve the inequalities in assessments among townships in the county. The group's study showed the assessment procedures in townships are not uniform.

Ray Uram Named Local USO Chairman

Ray Uram, 2418 Lynch avenue, has been named USO chairman for Granite City by the USO Regional Office in Chicago. Uram, who has had an active interest in civic matters and in men of the Armed forces, is employed by Illinois Power Co.

USO State Chairman Samuel W. Witwer, a Chicago attorney said, "National USO is fortunate indeed in having secured the leadership of Mr. Uram as its volunteer representative in Granite City. He is an outstanding and dedicated civic leader."

The Chicago office also named Donald Lambert and Frank Rea to serve with Uram in representing the USO. The organization serves young citizens of all communities who are absent from their permanent home, especially to servicemen. The USO, which is celebrating its 15th birthday this year, is financed by Community Chests and United Funds of the cities of servicemen and their families.

Jury Rules James Shooting Homicide

A coroner's jury ruled the June 4 death of Mary Jefferson as homicide, and recommended that Walter Lee James, charged with murder, be held for the grand jury. The inquest, conducted by Deputy Coroner Francis Lahey, was held at the Madison city hall Wednesday morning.

James, 59, of 710 Jackson street, West Madison, said he pointed a gun at his "former girl friend," but did not intentionally pull the trigger. The 32-year-old Venice woman was wounded once in the chest with a .38-caliber bullet and was pronounced dead on arrival at St. Elizabeth Hospital.

Indecent Exposure Charge

A charge of indecent exposure was placed against Willis L. Douglas, 38, of 2808 Pershing avenue, who was arrested last Monday afternoon at Bellemore Village shopping center after a complaint was received from a young woman. Douglas was freed on \$31 cash bail. A hearing was scheduled for Tuesday before Police Magistrate Gasparovic, and the bond was declared forfeited.

Fines Total \$35

Fines totaling \$35 were imposed on Annem R. Arvey, 33, of 719 Twenty-eighth street, who was arrested at his home Monday night on charges of drunkenness, disorderly conduct, creating a disturbance and resisting arrest, filed by police. He pleaded guilty to all charges in a hearing Tuesday before Police Magistrate Gasparovic.

School Stop Charge

Jill Jeffrey, 17, of the Granite City Engineer Depot, was issued an arrest ticket Wednesday afternoon by Granite City police for failing to observe a school stop sign. She posted her driver's license as bond.

HOW TO PREPARE AND COOK YOUR FAMILY STEAK

1. Steak fat edge; sprinkle evenly with Adolph's as you would salt, do not add salt.
2. Work tenderizer in deeply by placing all over with sharp kitchen fork—this insures penetration and seals in meat juices. Let stand at room temperature for one hour, or cover loosely with wax paper and refrigerate over night.
3. To broil, place in broiler 4 to 6 inches from source of heat; cook 13 minutes per side for rare, 15 minutes per side for medium. To barbecue, place on grill 2 inches from coals; cook a total of 25 to 30 minutes, turning frequently. Don't overcook—Adolph's cuts cooking time and shrinkage by 25%.

One of our customers told us recently, "You advertise too many items, the pages are too crowded." Quite frankly, we have to admit she is right! We just don't have enough room on this page to advertise a fraction of the hundreds of unusual values in every department of our stores. However, we told our buyers today that they would have to cut down on the number of advertised items and simplify our ads for your easier reading. We suggest that you check our shelves carefully for those "unexpected" values in every department, too numerous to list on this page.

THURMAN-MAY WEDDING

IS HELD AT PARSONAGE

The wedding of the former Miss Sandra May, daughter of Mr. and Mrs. Roy May, 1317 Robin street, to Rennie Thurman of Granite City took place Sunday at 2 p.m. at the Venice Baptist parsonage, with Rev. A. B. Sadler officiating. Previous plans for the wedding to take place in Kennett, Mo.

The bride wore a ballerina-length gown of white net over lace. Seed pearls accentuated the crown of the fingertip-length veil. Attendants were a sister of the bride, Miss Delores May, and a brother of the bridegroom, Dick Thurman.

ATTEND GRADUATION

Mr. and Mrs. Roger Davis, 623 Jefferson avenue, attended graduation exercises Sunday at Illinois University, Bloomington, where their daughter, Rogers, graduated with a bachelor's of music degree. She plans to spend the summer vacation with her parents and return to the university in the fall to study for a master degree.

Scoutmaster Harold Koelker was in charge of Boy Scout Troop 61 Monday evening at the scout home on Broadway. The Eagle patrol was in charge of the opening and closing ceremonies. Two boys were elected and are to be initiated into the Order of the Arrow. The names will be kept secret until the evening of July 13, when the "tap" ceremony will be held at Camp Sunnen.

The boys participated in an activity game, with the Flamingo Patrol being winner for the evening. Present were Jerry Bartlett, Roger Schaffner, Bobby Douglas, Buddy Koelker, Mike Scaggs, Jimmie Caudron, Dan Brown, Mike McCoid, John Housh and Eddie Johnice.

formant. The Red Cross performed many valuable services during the war, but ineffective public relations combined with many rumors served to turn many against the agency, he averred.

Urges Stamps For Special Drives The speaker urged a larger volunteer organization, increased emphasis on public relations, efforts to achieve a law making it illegal to sell items marked for sale when disasters create a need for additional funds. A typical ten-cent stamp would list cents for postage and six cents for the emergency drive, and its use would identify the sender as a contributor to the Red Cross, he explained.

Four-Year Scholarship

For Nancy Oehlcker

Nancy Oehlcker, 2401 Hemlock avenue, has received a four-year full-tuition teacher education scholarship, it was announced today. A member of tomorrow's graduating class at Granite City high school, she is the daughter of Mr. and Mrs. Walter Oehlcker.

Miss Oehlcker plans to study at a Southern Illinois University residence center, either in East St. Louis or Alton. She will study to become a teacher in the special education field.

Stolen Safe Claimed

By St. Louis Business

The safe found in Chain of Rocks canal last week has been identified as belonging to the Hager Furniture Co. of North St. Louis, according to the county sheriff's office. No estimation was given of the contents of the safe but further investigation is being made.

LINE FRUIT MOLD 1 large package (6 ounces) lime-flavored gelatin. 2 cups boiling water. Canned pear juice and water to make 2 cups. 1½ cups drained sliced canned pears. Dissolve gelatin in boiling water. Add pear juice and water. Chill until slightly thickened. Then fold in fruit.

being withheld and might require attendance by students and teachers "at a later date." The state sets the minimum number of days on which classes must be held for recognition of a school system.

Rapid Developments
While little direct negotiations have occurred between the teachers' committee and Supt. Kaiser, the pay disagreement has seen a rapid series of developments since the local first sought this spring to have the \$500-\$744 schedule for degree teachers increased to \$527-\$866 for 1960-61. The board's offer of a 4% raise in 1960-61 and another 3% in 1961-62 was rejected.

After a tentative teacher offer to accept \$527-\$866 over two years in 100% 0-5% or 75%-25% steps, the board met Monday night and offered a schedule of \$513-\$783 in 1960-61 and \$527-\$822 in 1961-62. This was reported to the committee Tuesday noon and rejected Tuesday night by the federation.

The local then proposed placing the board's 1961-62 offer of \$527-\$822 in effect in 1960-61, or accepting 75% of the teachers' original raise request next year and 25% the following year.

In a letter signed by Mrs. Bjorkman and listing other committee members, the local said Tuesday night, "We request the board decision by 12:00 noon Wednesday, June 8 and that this information be communicated to the chairman of the salary and policy committee."

Suggest Arbitration
"If the decision of the board is not favorable to the committee, authorization has been granted the committee to submit the local's demands to an arbitration board."

"Failure to communicate will be accepted as a refusal. We shall be bound by the decisions of the arbitration board. If none of these honest efforts result in settling the matter, the committee has been authorized to call a strike immediately."

Contacted last night, Lehr said the local was "very much reluctant" to call the strike but "we hope we don't have to do it."

Opposing the board's policy of having administrators negotiate all school contracts, he described the salary disagreement as an "extreme emergency" justifying a direct meeting between the committee and board. He added that non-salaried board members "volunteered for their job. They ran for it."

Lehr said the local "stands ready 24 hours a day to meet with the board," and said he understands the board is considering arranging an unofficial meeting. Whether the board would consent to direct negotiations during such a meeting is unknown.

Timing For Meeting Call
Also contacted by the Press-Record last night, School AG attorney Maurice Dally was asked to comment on the 14-hour strike notice and said the board does not have called a meeting within that time that would have legal standing. Lehr was critical of President Huber's inability yesterday to contact the out-of-town board member and the attorney.

The board's latest proposal lists 1960-61 salaries covering one to 12 years' experience of \$419-\$600 for non-degree teachers, \$513-\$705 for bachelor degree, \$536-\$716 for bachelor degree and 150 credit hours, \$538-\$738 for bachelor and 175 hours, \$580-\$761 for master degree and \$602-\$783 for master and 190 hours.

Identical raises are offered by the board for 1961-62, boosting the starting bachelor degree rate to \$527, the top salary to \$822 and all other figures accordingly. The first three years of the schedule show raises equivalent to \$13 a month each year for those in the first, second and third years of experience, \$22 for the fourth to sixth years, \$33 for the seventh to ninth years and \$38 for the tenth to twelfth years.

The teachers' original proposal showed similar but larger upward progression on the schedule—\$27 in the first to third years, \$35 in the fourth to sixth, \$55 in the seventh to ninth and \$111 in the tenth to twelfth years.

In the past many people started out on a shoe string and made a grand success—today most folks take a good living.

Frederick Dennis, 74, Passes Away Today
Frederick Dennis, 74, of 135 Lenox street, Mitchell, a local resident for 31 years, was dead on arrival at St. Elizabeth Hospital, today at 8:20 a.m. He had been ill for three months.

A retired engineer at American Steel Foundries, Mr. Dennis was a native of Smithboro, Ill. He had worked at American Steel for 17 years.

He is survived by his wife, Mrs. Ethel Dennis; one son, Eugene Dennis of Granite City; and three grandchildren.

Funeral arrangements are given in the obituary column.

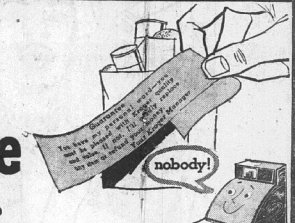

Red Cross Campaign For Quake Victims Continues
The campaign to obtain funds for aiding victims of earthquakes in Chile and resulting tidal waves in Japan is continuing by the local American Red Cross in conjunction with National ARC office.

Contributions have been received, and H. D. Karandjeff, chairman of the drive, said more contributions are expected in the next few days.

United Fund Lists 1960 Expenditures

A financial report of the dissemination of \$4264 was heard by the Social Planning Council of the Tri-Cities Area United Fund Tuesday evening.

Committee members also heard a report on the projected purchase of physio-therapy equipment for the new wing of St. Elizabeth Hospital, which will amount to slightly less than \$10,000.

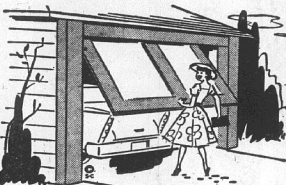

The \$4264 expenditure through May 31 was divided among cancer, heart and cystic fibrosis cases, general health relief and the Madison County Mental Health Association.

Sisters M. Francis and M. Staniula, representing the hospital, reported that some equipment for the physio-therapy ward had been ordered, but non has been received.

Committee Chairman Arthur Roseman and the eight members attending discussed the status of cases which have had assistance from the Health Service Account thus far. The committee is composed of representatives of the United Fund case-work and welfare groups and other miscellaneous interested groups.

Public Hearing Scheduled Here On Vitaly-Needed County Zoning

As emphasized from the start of efforts to obtain fair and effective land use and zoning controls for the unincorporated areas of Madison county, the public has a large stake in such controls and they are set up with the specific purpose of benefiting the people residing in this county.

To inform citizens of what controls are proposed, a series of five public meetings has been scheduled. One of them will be held June 13, in Granite City, for residents of Granite City, Venice, Nameoki and Chouteau townships. All questions from the public are to be answered, and there will be representatives present from the Madison County Regional Plan Commission, the Zoning and Subdivision Control Committee of the county board and the firm employed by the county to make a study of land use and zoning.

The hearings mark an important step toward the time when the badly needed controls can be adopted. Public knowledge and support are vital, and the procedure being followed makes it clear that the wishes and needs of Madison county residents are being given prime consideration.

Alton May, chairman of the county board committee, describes proper land use and zoning as a "must," and G. W. Hoelscher, chairman of the Madison County Citizens' Planning Committee, has stressed the need for prompt action to insure development of areas on the fringe of existing cities.

In the field of zoning, Madison county is a quarter-century behind many Illinois counties. It is not too late, but steps must be taken now to preserve the value of local homes, encourage industrial growth and make orderly expansion possible. All persons having views on this topic will find it well worth their time to attend the county zoning hearing here June 23.

New Parochial Building Will Be 35th School In Quad-City Area

The decision to build a Catholic grade school on St. Clair avenue, between Wayne and Dale avenues, is another reflection of the rapid growth still going on in the Quad-Cities.

The sixth in this community, the new parochial school will join the St. Elizabeth school in serving the residential area that has now swept eastward many blocks past Nameoki road. It will be built and operated by the Sacred Heart parish, with the likelihood that it eventually will become part of a new local parish.

Public school construction also has been advancing rapidly, with three new Granite City grade schools opened during the school year now coming to an end. For use starting in the fall of 1960, the Madison school district is building two schools to replace present elementary buildings, and the Granite City district is completing a new junior high school and two additions to the high school.

From a total of 29 only several years ago, this current and planned construction will give the Quad-Cities 35 school buildings. Adequate schools are essential to a community, and both the parochial school sponsors and public school districts have recognized the fact that positive steps are necessary in order to keep pace with the present local growth rate.

Stop Sign Arrest

Hugh R. Jordan, 19, of 805 Lee avenue, Madison, was issued an arrest ticket Tuesday afternoon by Granite City police on a charge of failing to observe a stop sign at 23rd and Monroe streets. He posted his driver's license as bond.

Registration Monday For GC Summer School

Registration will take place Monday, June 13, for the summer school term in the Granite City school district.

Enrollment for the high school summer classes will be held at 9 a.m. Monday at GCHS, and the classes will start the following week, June 14. The seven-week program will end on Friday, July 22.

Students may take as many as two high school subjects, at \$12.50 a subject. The daily schedule calls for a class from 8 to 9:30 a.m., a study period from 9:30 to 11 a.m., and a class from 11 a.m. to 12:30 p.m. Subjects offered will be based on the need. Courses offered at Granite City high school, if there are enough students enrolling, will include English 1 through 8, general mathematics 1 and 2, algebra 1 and 2, geometry 1 and 2, typing 1 and 2, general science 1 and 2, American history 1 and 2, civics, social problems, biology 1 and 2 and art.

A course in advanced mathematics also will be offered if there are enough registrants. The summer school program is open to students residing in the Granite City school district.

Elementary Classes
Elementary remedial instruction also is scheduled to start next Tuesday, with the registration being held at 9 a.m. Monday at the Logan, Wilson avenue, Niedringhaus, Webster and Nameoki grade schools.

Tuition for the grade school program will be \$25 a pupil, and the six-week term will end on July 22. Classes will begin daily at 9 a.m.

The fee for six-week speech correction classes will be \$10 a pupil. Driver training will be offered free to high school students.

Band Instruction

Registration for summer band classes will be conducted Monday by the various band instructors. The tuition fee will be \$6 for the eight-week high school program or \$5 for the six-week grade school schedule.

Plans for the 1960 summer school program were made by a committee composed of Supt. Harold M. Kaiser, Special Education Director Harold Thomas, Miss Martha Cowan, Louis Meek and Principals Lawrence McCauley and Gerald Bushaw.

The plans are similar to those in effect last summer. State law requires summer classes to be self-supporting financially.

Speeding Arrest

Edgar J. Pratt, 23, of 3131 Wayne avenue, was arrested on Wayne avenue Tuesday afternoon by Granite City police on a charge of speeding. He posted his driver's license as bond.

Examples Of Cooperation Between Madison And Venice Show How Public Can Benefit

Two examples of cooperation between local cities were afforded by news articles this week. In one instance, a series of seven burglaries in Madison and Venice, reported within a three-day period, was solved and arrests were made after a joint investigation by the two police departments.

Announcement that the city of Madison plans to construct a dog pound resulted in a proposal by Venice officials that their city be included and share in the cost of the project. The cost for each city would be less than if each had proceeded on its own, and it seems probable that an adequate structure can be designed without extensive alteration of the plans prepared for Madison.

These examples show how the public can benefit from enlightened cooperation between neighboring cities. Some day, residents of the Quad-Cities may see fit to gain numerous advantages, among them more economy in government, by consolidating all local cities into one. Until then, some of these benefits can be derived from close cooperation of the type now being demonstrated.

Interest Charges On Debt Second Largest Cost Of Federal Government

What price national debt? Current interest charges average \$51.48 a person throughout the country, nearly a dollar a week.

For Madison county residents, the average indicates an expenditure of over \$10,000,000 each year. The rate will go up in the next fiscal year to a new high of \$53.71 a person, based on an expected national rise to nearly \$9,500,000,000. Next to Defense Department spending, payments for interest on the debt will be the largest cost in the next year, exceeding the large outlays for agriculture and veterans.

The national debt stands at \$291,000,000,000 or nearly \$1650 for every man, woman and child in the United States. Madison county residents would need over \$300,000,000 to pay off their share. The debt figure is larger than the combined savings of the American people in savings accounts, life insurance and government bonds.

Interest costs are paid directly from taxes and yet bring nothing in return. The staggering total of interest charges underlines the importance of keeping the amount of the public debt under reasonable control.

Annexation Responsible For Expanded Park District Recreation Program

It is a year since the Granite City park board created the full-time position of recreation director, and the passing of time has shown the wisdom of the move.

By placing full emphasis on a recreation program, the district has been able to create a year-round schedule of activities offering something of interest to people of all ages in the district.

From a financial standpoint, expansion of the recreation program was made possible by the annexation of the Nameoki area to the park district. The annexation was an important step forward, and is benefiting families in the older portions of the district as well as those newly receiving park services.

Children's Story Hour To Begin In Mid-July

The children's story hour, perennial summer favorite at the Granite City public library, will begin its series of weekly programs Tuesday, July 12, at 2 p.m. It will be handled by Mrs. Knefelke and Miss Pat Patton. Over 100 children took part in the program last year.

A similar program will be held at the Venice library beginning in a few weeks, according to Miss Catherine McGee. Dates and to the program of stories, music and quiet games to be held at the library auditorium through August.

Two puppet shows given by Mrs. Bonnie Fuller and her children and two films will be included in this year's series, which will be handled by Mrs. Knefelke and Miss Pat Patton. Over 100 children took part in the program last year.

A similar program will be held at the Venice library beginning in a few weeks, according to Miss Catherine McGee. Dates and to the program of stories, music and quiet games to be held at the library auditorium through August.

Past Matrons Club Closes Season

Several announcements of coming events were made Monday evening at the June meeting of the Past Matrons Club of Granite Chapter, Order of Eastern Star, the last of the season. The club was invited by Mrs. Arline Fox to Grand Lecturers Night at Grafton June 18, where she will serve as conductress, and the past matrons and past patrons of the chapter will serve in stations on August 26.

Mrs. Clara Harbig entertained the club at her home, 2200 St. Clair avenue, and 12 were present, including a special guest, Mrs. Karmyn Edmonds, conductress of Granite Chapter.

Prizes in the games were won by Mrs. Edmonds, Mrs. Kathryn Roman and Mrs. Clara Smith, and refreshments were served.

The opening meeting of the fall season will be held Sept. 12 with Mrs. Bea Henley as hostess.

Eta Chapter Elects Officers

Officers for the coming season were elected Monday evening at a meeting of Eta Chapter of the Phi Tau Omega society.

Those named were: Mrs. Gina Thomas, president; Mrs. Harriet Horn, vice-president; Mrs. Shirley Rhine, recording secretary; Mrs. Millie Greshouse, social secretary; Mrs. Dolores Siebert, treasurer; Mrs. Georgia Waggoner, assistant scribe; Mrs. Marilyn Presley, sergeant-at-arms; and Mrs. Anna Kirk, historian.

Mrs. June Meyer, the retiring president, was in charge at the meeting held at the Elk's Club and announcement was made of the annual boat excursion to be held July 25.

Nineteen were present and the members for the evening went to Mrs. Siebert, Mrs. Ruby Logan and Miss Martha Ruth Thomas.

St. John Guild Hears Reports, Plans Excursion

Mrs. Judy Stille, president, was in charge Monday evening at a meeting of the Evening Guild of St. John United Church of Christ.

Devotions were led by Mrs. Imogene Buer, and Mrs. Paul Surbey gave the Scripture lesson.

A report on mental health was given by Mrs. Mae Gottfried and announcement was made of a change in the date of the boat excursion from June 14 to June 15.

A part of the evening was spent in arranging packages to be sent to the World Service headquarters in St. Louis to be shipped overseas for distribution.

Dispensing with the regular meetings throughout the summer, the next will take place Aug. 29, due to the Labor Day holidays, and a pot luck supper has been arranged.

Serving on the hospitality committee at Monday's meeting were Mrs. Martha Bischoff, Marie Ville, Mrs. Mary Lee Krohne and Mrs. Judy Stille. Twenty-three were present.

MISS GLORE IS AWARDED SCHOLARSHIP

Miss Carolyn Glore, a junior at Findlay College in Findlay, O., has been awarded a tuition scholarship for editorial work in Lamport, student newspaper and vice-president of Alpha Phi fraternity.

Scholarships for the 1960-61 college year, honors for superior academic achievement and recognition for participation in activities were awarded at the recent Honors and Awards Assembly at the college.

Miss Glore is a daughter of Mr. and Mrs. Russell Glore, 3599 Iowa street.

ENGAGED, Miss Rita Marshall, whose parents, Mr. and Mrs. George W. Marshall, 1040 Third street, Venice, are announcing her betrothal to Charles Lybarger, a son of Mr. and Mrs. George Lybarger, 1538 Fifth street, Madison. The wedding of the couple is scheduled for Sept. 10.

WILL ATTEND REGIONAL MEETING

A number of women from this area, members of garden clubs, are planning to attend a meeting of Region 5, Garden Clubs of Illinois, to be held June 14 at Holy Cross Lutheran Church in Collinsville.

The time will be 10 a.m. and the speaker will be Paul A. Kohl, floriculturist at the Missouri Botanical Garden (Shaw's Garden). He will discuss "plant propagation." There will also be exhibits for clubs and specimen and table arrangements.

Madison Library Adds 794 Books; 27,613 Circulation

The Madison public library added 794 books during the 1959-60 fiscal year and withdrew 280, increasing the total number of volumes to 15,314, the annual library report discloses. The report covers the year ending April 30.

Circulation totaled 27,613, a slight drop from the 28,796 figure in 1958-59. Borrowers totaled 1913, including two non-residents. The library received 50 periodicals and two newspapers, maintaining the periodicals for a five-year period, and obtained 86 books and three recordings on loan from the St. Louis and Granite City libraries.

Balance at the start of the year was \$2823, and receipts totaled \$12,026 including \$11,920 taxes, \$4 in fines, damages and payment for lost books, \$29 rental and \$39 refunds.

With expenditures amounting to \$12,022, there was a \$2823 balance at the end of the year. Outstanding checks totaled \$251, resulting in a \$3073 bank balance.

Expenses were \$5503 for salaries of the librarian, assistant librarian and custodian, \$1243 for books, \$164 for periodicals, \$280 for bonding, \$2400 for rent, \$632 for heat and light, \$30 for water, \$480 for insurance, \$339 for repairs and improvements, \$438 for furniture and fixtures, \$169 for supplies, \$102 for telephone service, \$144 for social security and

Seeding of Fire House Lawn Is Delayed

Seeding of the lawn at Granite City's new \$333,000 fire station will probably be delayed until next spring.

During Monday night's council session, it was announced that City Atty. William Beatty had ruled it would be illegal for the city to accept the low bid of \$885 submitted by Modern Excavator Co., of which City Inspector Jack Fricker is a partner. Fricker is an appointed official.

Rather than proceed with the \$475 other bid, the city decided to postpone the seeding. The only other bid was presented by John B. Moss.

Referred to the city attorney was a letter from Grady Tatum of Granite City, whose auto was damaged in a collision with a city truck on the McCambridge avenue viaduct last January. The damage was reported at \$180. Tatum said he had made an earlier attempt for a settlement but received no satisfaction.

Dances At Moose Hall Resumed

The regular weekly dances for young people held each Sunday evening from six to nine o'clock at the Moose Hall have been resumed, according to Joe Jacobovich, of the Moose, who is serving as chairman, and all boys and girls between the ages of 12-19 are welcome.

Music will be furnished on records and the dances are choreographed by two couples each week.

367 To Graduate From GCHS Friday

A class of 367 students will be graduated from Granite City high school at commencement exercises at 8 p.m. Friday in the school auditorium. The class will be presented by Principal Lawrence C. McCauley and Suppt. Harold M. Kaiser, and diplomas will be awarded by President Homer Huber and Glenn Abernethy of the Granite City school board.

Talks will be given by Alan Sharp, valedictorian, James Warfield, salutatorian, and Miss Freelyn Arbeiter, president of the top senior class, and there will be musical selections by Miss Arbeiter, baritone horn soloist, and by graduating seniors in the GCHS advanced mixed vocal chorus.

The processional and recession will be accompanied by the school band, prayers by Rev. Lawrence Mattingly of St. Elizabeth Catholic Church, singing of the national anthem by the audience and the alma mater sung by Carole McDonald will complete the program.

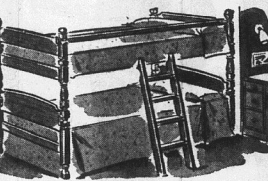

The awards were presented by SLOW DOWN representatives of Tri-City. Be cautious at school cross-American Legion Post 113 and signs — give our children their Venice-Madison Legion Post 307, right-of-way to a long life.

Emergency Care For Girl Who Swallowed Bobby Pins

A small child, 17-month-old Susan Mank, daughter of Mr. and Mrs. Evan Mank, 2665 East 27th street, was given emergency treatment at St. Elizabeth Hospital Monday evening after swallowing some bobby pins, X-rays showed the pins were not in a dangerous position.

A 74-year-old woman, Nora Gibbons, 1049 Washington avenue, Madison, was treated Monday afternoon for a dog bite on the left ankle, while James Williamson, 32, of 2034 Dewey avenue, required emergency care for a cut to his left hand, inflicted by a knife. William Brockus Jr., 18, of 2000 Michigan avenue, was treated for a cut to his left shoulder suffered from a glass.

Over 50 Council Scouts Going To Jamboree

More than 50 Boy Scouts from the Cahokia Mound Council are expected to take part in the fifth national scout jamboree July 22-28 at Colorado Springs, Colo. It was announced today.

Due to last-minute cancellations, the council has a vacancy for six scouts to attend the jamboree. Details on the cost and departure time are available at the council office in Granite City, it was explained. Of the 47 currently listed to attend, 23 are from the Uniwah or Quad-City district.

The group of jamboree-bound scouts has been practicing for the jamboree "skitarama," a test of their scouting prowess, and a simulated jamboree camp-out was held in Wilson Park last weekend, led by Ted Scrum, Lloyd Ozler, Dr. M. W. Grimm, Raymond Gaudette and James Brown. Among the techniques learned was a special method for erection of tents to compensate for strong Colorado winds.

There are many towns without the complete facilities the jamboree will offer, council officials report. Jamboree-town, Colo., will have its own police and fire departments, waterworks and hospitals, its own bus line, radio and television stations, a daily newspaper, post office, telephone exchange, telegraph office, trading posts and

Council Awards Sidewalk Contract, Authorizes Purchases

Award of contracts for this year's sidewalk and curb repair programs, purchases of a used truck for the street department and new radios for city equipment, along with authorization for the purchase of two power lawnmowers, were among the wide assortment of business conducted Monday night by Granite City council members.

The sidewalk and curb work was awarded to Ellsworth Concrete Co. on bids of 53 cents a square foot for sidewalk replacement and \$3.29 a foot for curb and gutter replacement. The city has set up in its proposed budget \$18,000 for sidewalk repairs and \$15,000 for curb and gutter work.

Alderman Samuel Whitmer, chairman of the Street and Alley Committee, said low bidder was Diepholz Construction Co. of Venice with bids of 53 cents for sidewalk work and \$2.90 for curb replacement, but that the curb did not include the cost of lighted barricades. "Also," Whitmer said, "the firm would enter into a contract only if awarded both the sidewalk and curb work, and the committee feels that since the sidewalk bid is the same, that work should go to a Granite City firm." He estimated the Venice firm's bid with barricade costs would be about \$3.15 a foot.

City Ok's Zone Change

At 24th and Benton

An amendment to the city zoning ordinance, reclassifying an 87-foot lot on the southeast corner of 24th and Benton streets from R-2 residential to C-1 commercial was approved Monday night by Granite City council members, acting on a recommendation by the City Plan Commission.

The property is owned by Davis and Anna Nagy, and it was pointed out a two-story colonial-type structure is to be erected to provide offices for a chiropractor on the first floor and living quarters on the second.

The City Plan Commission's rejection of a zone change request by George and Lydia Willard was accepted by the city. The Willards were seeking a change from R-2 residential to C-1 commercial for lots at 2320-24 St. Clair avenue for operation as a food market. The change was opposed by residents of the Glenview and Shamrock Gardens subdivisions.

Corporation Charter For Mathews Chevrolet
A corporation charter has been issued from the office of Secretary of State Charles F. Carpenter, Springfield, to Mathews Chevrolet Co., a Missouri corporation, 1511 Niedringhaus avenue with Milton Mathews as registered agent.

Listed as officers are Milton Mathews of Clayton, president; Jack R. Mathews, Clayton, secretary. The firm is authorized to deal wholesale and retail automobiles, motor cars and motor vehicles, including any type of carriers propelled by motors; accessories, tires, oil, grease, gasoline and other articles of merchandise.

Vandals Damage Windows
Primo Bertacchi reported to Granite City police Monday afternoon that vandals had thrown a beer can through a plate glass window at Parker Planning Mill, 2609 Kate street, and also had broken storm sash in two other windows.

Power Mower Purchases
The city is to buy two power lawnmowers—one costing \$150 to be used by the sanitation department for cutting grass and weeds between sidewalks and curbs and another to be used for cutting the lawn at the new fire station. The sanitation department mower is to be bought from Branscomb Sales Parts & Service Co. of Granite City, with a \$10 allowance for the city's old mower, and the control mower was authorized to buy a 24-horsepower mower for the fire station.

Council members also discussed the possibility of purchasing a large mower to carry out the city's regular program of mowing cutting on vacant lots. However, it was decided to contract the work rather than buy expensive equipment for a city employee to do the job. Last year, the city's weed cutting program cost \$1200 of which \$88 was repaid by private property owners. It was estimated that if the city had a mower, the cost would run as high as \$5000. Alderman Walter Noon recalled the city once bought a mower for \$1000, but the upkeep was more expensive in one year than the cost of mowing last year under a contract.

The city is to study the possible purchase of insect spray chemicals at a cheap rate, and also will call for bids for a new Jeep to replace one of the city's

Emil Lux, 72, Retired

Mitchell Farmer, Dies

Stricken at his home, Emil Lux, 72, retired Mitchell Farmer, was pronounced dead at St. Elizabeth Hospital at 8:30 p.m. Monday following unsuccessful efforts to revive him.

Mr. Lux had been under medical care for a heart ailment for the past three years. After he was stricken with an apparent heart attack Monday evening, Mitchell volunteer firemen were called and operated an inhalator at his home, 124 Central avenue. He was then taken by ambulance to the hospital.

Born at French Village, Ill., Mr. Lux had been a resident of the Mitchell area 57 years. He retired from farming about ten years ago.

He is survived by his wife, Mrs. Opal Lux; one son, James Lux of Mitchell; three daughters, Mrs. Robert (Zelma) Owens of Collinsville, Mrs. Norma Lux of St. Louis and Mrs. John (Dorothy) Arrington of Florissant, Mo.; a brother, Peter Lux of Enid, Okla.; three sisters, Mrs. Roland Hill and Mrs. Milton (Elizabeth) James, both of Granite City, and Mrs. Catherine Henschel of Corpus Christi, Tex., and five grandchildren.

Services were held at 2 p.m. today at a Madison funeral home with burial at St. John's cemetery. Arrangements are given in the obituary column.

Handicapped Children Day Camp Scheduled

Day camp facilities for handicapped children will be provided by the Madison County Easter Seal Society at Monticello College, Godfrey, starting July 18 and running through July 29.

Registration forms are to be completed and returned to the Easter Seal Society, Elm Ridge drive, Alton, before June 18, and fees, application, publicity consent, transportation and medical forms must be returned to the society before July 5.

A two-week fee is \$25 for each child, but arrangements, whenever necessary, can be made on a sliding scale, based on the income and number of dependents of the family wage earner. The society stresses no child will be denied admission because of inability to pay.

When transportation forms are returned, a list of names and addresses will be compiled by areas to help parents arrange car pools.

The day camp sessions will be held each day from 9 a.m. until 2:30 p.m., except Saturday and Sunday, and an open house is being arranged for the closing session on July 29.

Eligible to attend are physically handicapped children between the ages of 5 and 17 years. The activities to be offered will include arts and crafts, nature studies, dramatics, fishing, softball, deck tennis, horseshoes, croquet, swimming, music and dancing.

Professionally qualified personnel will direct the camp program, assisted by trained or experienced volunteers. A nurse will be present during all camp sessions.

Hearts Meet McMackin Buick Twice; Mercer Visits McAteer Glass Sunday

The only undefeated team remaining in either division of the Southwestern Illinois Inter-City Baseball League today, Granite City's Sacred Heart, is in jeopardy of losing that title this weekend.

Lyman Tucker's club will face always tough McMackin Buick of Collinsville twice in the space of 24 hours, and in at least one of those games the Hearts will have to go with as yet untied pitching.

Tucker probably will hand the job of winning a Saturday night game at Fletcher Field in Collinsville to the league's winningest pitcher, Bob (5-0) Page, and then come back next afternoon at Wilson Park here with Ronnie Parker, who has worked less than two innings in the I-C loop this season and was battered last Saturday in a four-inning exhibition appearance at Menard State Prison.

McMackin Manager John Harrison most likely will use Ray (2-0) Rosenkrantz in one of the two games, probably against Page, and will fall back on Bob (1-1) Kovacic in the other.

Mercer Funeral Home, knocked unceremoniously from the unbeaten ranks by East St. Louis McAteer Glass here last Sunday, must face the Glasmen again Sunday, this time on McAteer's home diamond.

Mercer played Sunday's 11-5 loss with exactly nine men present at game. Co-manager and relief pitcher Dick Portell was on vacation, with the result that field general Ollie Miller had no one to fall back on when the Glasmen began to pound loser Andy Angeioff.

Ladies' World SB Champs Here July 23
The Granite City Kiwanis club will sponsor an exhibition softball game between the women's world championship team and the women's western division titlists of 1959 on July 23 at Wilson Park. It was announced during a club meeting Monday night at the Elks club.

Scheduled to appear here in the game are the Raybros Brackets of Stratford, Conn., who have won the national women's title for the past two years, and the St. Louis Blues, western division champions in 1959. The game will be played under the lights, beginning at 7:30 p.m., with a men's exhibition game to follow.

Tickets for the softball double-header are priced at \$1, and will be available soon, the co-chairmen of the event, Joe Acquaviva and Harry Nelson, said. Proceeds will be placed in the Kiwanis club's boys and girls' work fund.

At Monday's meeting, club members viewed a color film on auto racing events at Indianapolis. Daytona Beach and Sunbury, S. C., which stressed the mental and physical fitness of drivers, track courtesy and safety precautions.

A report also was presented on a club steak dinner held at the Ladies home of former club president Leland Britt last week which was attended by some 50 Kiwanians, their wives and guests.

Park's Summer Recreation Program To Begin At Six Locations Monday

The Granite City park district's annual summer recreation program for boys and girls aged seven through 12 will open next Monday, June 13, at six locations within the park district. The program, which includes a wide variety of athletic, entertainment and special events, will be conducted Monday through Friday until Aug. 5 at five Granite City grade schools and the Lincoln Place Community Center.

Instructors this year are members of the teaching staff of Granite City public schools. The program is again being directed by Mrs. Helen Bjorkman.

Only residents of the park district are eligible to participate in the recreation program, offered at no cost other than rental fees for roller skates and bowling shoes for two phases of the program. Printed application blanks were distributed in schools this week, and should be returned to recreation leaders by children when they report at the recreation center nearest their homes on Monday morning.

Summer Judo Classes Begin At 'Y' Monday

A five-week summer judo program open to persons eight years of age and older will begin Monday morning at the YMCA here. Judo instructor Bob Whelan said today.

Judo classes for boys eight to 12 years of age will be conducted in the judo club room at the 'Y' from 9 to 10:30 a. m. Monday. A similar class for boys 13 to 17 years of age is set for 11 a. m. to 12:30 p. m. The same schedule of classes will be followed on Wednesday.

On Tuesday, a boys' 8-12 class will receive instruction and practice from 9 until 10:30 a. m. Girls aged 13 to 17 may enter a Tuesday class set for 11 to 12:30 p. m. An identical schedule has been established on Thursday.

Adult classes will be conducted two nights a week for men, one night a week for women, in both instances from 7 to 8:30 p. m. Nights for the adult classes have not yet been assigned, Whelan added.

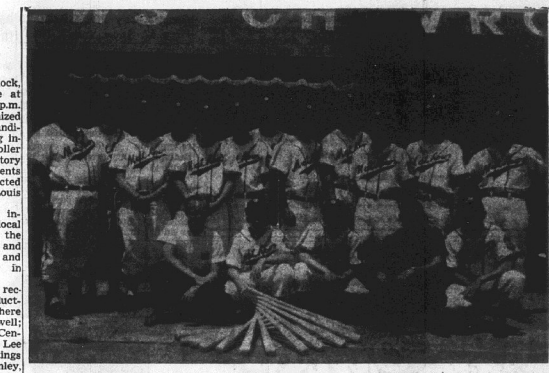

Upon completion of the five-week course and related judo tests, the class graduates will become eligible for membership in the Granite City Judo club, which now has a total enrollment of 62 persons.

Additional information may be obtained by contacting Bob Dant, physical director, at the YMCA.

Two Minor Fires Monday Night Cause No Damage

Two minor fires occurred Monday night within an hour. The carburetor on a 1951 automobile owned by Edward Hornberger, 2734 Michigan avenue, caught fire in front of his home and the downtown fire department was called about 10 o'clock. No damage was reported.
A short circuit in a fuse box at the home of Joseph Rigby, 2237 Ohio avenue, sent the West Granite fire department out at 10:45. No loss was reported.

Two Are Elected To JA Association Posts

Two Granite City Junior Achievers have been elected officers in the JA Achievers Association of the Mississippi Valley area for the 1960-61 Junior Achievement year.

They are Miss Pat Maxwell, 16, daughter of Mr. and Mrs. Harold Maxwell of 1633 Edison avenue; and Miss Pat Sexton, 16, daughter of Mr. and Mrs. Forrest Sexton of 2947 Marshall avenue.

Miss Maxwell will serve as secretary of the Achievers Association, while Miss Sexton will fill the treasurer's post. The association is sometimes referred to as "the Chamber of Commerce of JA," since its four elective officers represent all eight Junior Achievement centers in the greater St. Louis area, including the Granite City center at 2009 Madison avenue.

Both Miss Sexton and Miss Maxwell are members of the "Products Unlimited" JA company, which was consigned by Granite City Steel Co. Both also received the "Junior Executive" award this year, one step below the highest individual progressive award which can be attained in the JA program.

"Executive Award" Paul Brown, son of Mr. and Mrs. Thomas R. Westbrook of 2432 Logan avenue and winner of a \$100 cash award at the recent JA "Future Unlimited" banquet, won the Junior Achievement "Executive Award," highest individual progressive award made.

A member of "Servco" JA firm consigned by Union Starch & Refining Co. Brown had the highest individual dollar volume sales record of any Achiever in the Mississippi Valley area during 1959-60, selling a total of \$360 of his company's products. "Junior Executive" awards went to five additional Achievers from the Granite City center. They included Miss Nancy L.

PAT SEXTON

Little, 17, daughter of Mr. and Mrs. George Little of 1612 Garfield avenue, a member of "GMV Company" consigned by the Southwestern Bell Telephone Co.; Miss JoAnn Buckle, daughter of Mr. and Mrs. Steve Buckle of 1122 Iowa street, Madison, a member of "Servco" JA firm consigned by Union Starch & Refining Co.

Robert Strong Jr., 18, son of Mr. and Mrs. Robert Strong Jr., of 2416 Delta avenue, a member of the Granite City Junior Achiever bank, consigned by the Granite City Trust & Savings Bank.

PAT MAXWELL

Awards At JA Camp The awards and election of officers took place at Camp Don Bosco in Missouri, where approximately 200 Achievers from the eight area JA centers met recently to participate in discussion groups on business problems and to enjoy recreational and social activities. The camp is conducted each spring following the close of the JA business year.

The JA association made plans for business seminars and a limited number of social activities for the 1960-61 business year during the meeting, and plans a boat excursion for Junior Achievers on June 30. Miss Maxwell was unable to fill her position as secretary at the first association meeting following the election of officers. She fell while horseback riding and fractured her right arm just above the wrist.

May Busiest Month This Year At Canal Locks

Traffic through the Chain of Rocks canal locks during May showed a sharp increase over the previous month and represented the largest monthly tonnage total to date this year, a report from the office of the Corps of Engineers in St. Louis shows today.

Despite the 1,938,177 tons of freight which passed through the locks during May, however, the year's total tonnage dropped below figures for the same five-month period in 1959. Responsible was the 2,402,817-ton total for May of 1959, one of the busiest months in the canal's history.

Total number of vessels and lockages for the month just concluded also showed an increase over April of this year. April's freight tonnage total was 1,654,924, total vessels numbered 2,318 and lockages 512. In May 2739 vessels passed through the locks during 610 separate lockages.

Upstream traffic during May was about double that downstream, 1,257,422 tons as compared to 724,750 tons. A breakdown of commercial tonnage by product and direction of travel follows:

Petroleum products: up 430,150, down 125,700; grain: up 18,500, down 477,700; coal: up 363,800, down none; cement, sand and gravel: no traffic; sulphur: up 35,285, down none; miscellaneous commodities: up 238,727, down 53,350; chemicals: up 70,450, down 8000; and steel: up 63,510, down 55,100.

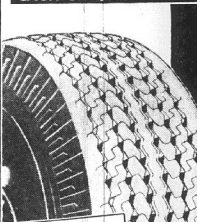

Commercial products amounted to 1,982,172 tons, government traffic accounted for an additional 1005 tons.

Commercial vessels which used the canal and locking facilities during May included 624 towboats, no small craft, three passenger boats, 2023 barges, no contractors' boats or barges and 54 private recreational boats.

Government canal traffic was made up of seven towboats, 16 barges, four small craft, no construction boats and eight U. S. cruisers and patrol boats.

June 15 Deadline For ASA Regional Meet Registration

Local softball teams which plan to enter either the Illinois Amateur Softball Association's class "A" or class "B" regional tournaments later this year must register no later than June 15. ASA District Softball Commissioner Harold Brown said today.

No team will be allowed to enter the tournaments unless the manager or an authorized representative of the team has registered his squad's intentions to do so and has paid the required \$15 fee, Brown said.

The regional class "A" tournament will be held this year in Wood River, while Granite City will host both the class "B" regional and state tournaments.

ASA Commissioner Brown will accept registration fees in his office at Wilson Park. He added that under no circumstances will the deadline, which is next Wednesday, be extended.

Worker Crawls Through Train To Get To Job

An unidentified American Steel Foundries employee was forced to park his auto on the east side of the Nid-ringhaus avenue and crawl between freight cars to get to work on time Monday night.

The complainant told police the crossing was blocked about 30 or 35 minutes and rather than risk being late for work, he parked his car and climbed between two freight cars.

Police talked to the train crew and learned the train was stalled at the crossing because of a broken knuckle on a coupler.

Girl Scout Established Camp Begins Saturday

Ninety-six Girl Scouts from the Tri-City Girl Scout Council will board buses at 1:30 p.m. Saturday and depart for Camp Outlook at Park Township State Park for one week of established camping. Mrs. Helen Bergfeld, camping chairman, said today.

A similar number of girls will depart next Saturday for the second week of camping at the state park, where the Tri-City Girl Scout Council's camping assignment will end on June 25.

The Girl Scouts will learn additional camping and cooking skills, take hikes, study nature, participate in swimming and waterfront activities and work toward the completion of merit badge requirements.

Adult unit leaders will change each week at the camp while the 31 members of the camping staff will be a permanent party. Mrs. Bergfeld said. The unit leaders are Pat Welch, Catherine Hildebrand, Shirley Brown and Loraine Parkinson. Directing the two-week camp will be Mary Lou McCarty.

The waterfront director will be Beulah Lehman. Assistants are Anne Freley, Pauline Schanks and Emily Duff. Hand cook day camp will be DeLores Hills, assisted by Beulah Bowler, Dora Harrison and Virginia Owens.

Counselors will be Mary Simmons, Betty Corcoran, Adele Gregory, Edna Forcade, Rosella Henderson, Doris Jolly, Dorothy Buncie, Gloria Simms, Ann Grant and Pat Tondore.

Junior counselors are Jo Ann Blumenstock, Dianna Ferrer, Judy Rollins, Sharon Primers, Joan Elise, Lavanna, Dethieridge, May Ella Barrett, Toni Winniger, Carole Wigger, Mary Reagen and Mary Walters.

Camp handymen assigned are Ernie Taylor and Charles Parkinson.

\$10,000 Lawsuit Filed By Local Woman

A \$10,000 lawsuit was filed Monday in the circuit court at Edwardsville by Miss Shirley Jean Brooks, 2815 Herbert street, who charges she was a victim of a "violent" assault and battery when allegedly struck by the owner of a Chouteau township tavern last May 21.

Miss Brooks named Clarence Awall, 50, of the Shamrock tavern, 4706 Lake drive, as the defendant. Reportedly a customer in the bar during the alleged occurrence, Miss Brooks contended she was struck with a fist, causing serious and painful injuries to her jaw, eye, neck and head.

GC Youth Conferred Bachelor's Degree

William Clyde White of Granite City was one of 1000 students who received degrees at the 118th annual commencement of the University of Missouri in Columbia Tuesday. White completed his requirements in January, but the university does not hold a mid-year commencement. The Memorial Stadium exercises were highlighted by noted rural sociologist Dr. Carl C. Taylor, who gave the commencement address. University President Elmer Ellis conferred the degrees.

White received the bachelor's degree in electrical engineering.

Madison County Federal Receives Improved Charter

A program of improved, wider and more modern lending practices is now available at Madison County Federal Savings & Loan Association through the granting of a Charter "K" by the Federal Home Loan Bank Board at Washington, D. C. A. H. Froehling, executive vice-president, said notification of the revised charter was received this week from Washington. Application was made last January upon approval of the association's board of directors. The firm is planning to move in the near future from its present downtown quarters at 1915 Edison avenue to a new annex under construction at Bellmore Village shopping center.

Venice School Board Seeks Bids For New School Bus

Venice Supt. of Schools John O. Pier was authorized Monday night to advertise immediately for bids on a new school bus for the Venice school system.

The Venice district will seek a 48-52 passenger bus, and plans to use a present 1948 model bus as a trade-in. The board will consider combinations of different chassis and bodies, either standard or automatic transmission, and specified an eight-cylinder engine.

A contract for athletic goods for the 1960-61 school year was awarded to Graham's Book Store on a bid of \$1894, during Monday's school board meeting. The Lowell Campbell Sporting Goods Co. of St. Louis bid \$1889 on the same items, but the board voted to accept the slight higher local bid.

A contract for school and library magazines went to the Mayfair Agency of Inglewood, N. J., on a bid of \$300. The New News Co. of St. Louis submitted a bid of \$360.

The school board entered into a contract with the School Accident Insurance Agency, Inc., through Agent John Mull of Bethalto, for student insurance for the 1960-61 school year.

Under the contract provisions, students from kindergarten ages through grade six may obtain school hour accident insurance for \$2, while the fee for the same coverage for students in grades seven through 12 is \$3.

Man To Work Out Fine For Peace Disturbance

William Keltz, 51, of 818 Jackson street, West Madison, arrested by Venice police June 4 for peace disturbance and drunkenness, was fined \$5 and \$3 costs on each charge at a hearing Monday night before Police Magistrate Wesley Edwards. He received permission to assist the Venice street department this week to work out the fines. In other hearings Monday night, Edwards fined Wendell Michienzi, St. Louis, \$40 for careless driving and being drunk in public June 5, and Dora Thomas, 330 Weaver street, Venice, \$10 for disorderly conduct June 4.

Venice Board Awards \$4750 In School Contracts

Contracts for summer school improvements totaling \$4750 were awarded by the Venice board of education Monday night.

On a bid of \$1176, R. Dron Electrical Co. of Granite City was awarded a contract for the rewiring and relighting of the hand room in the Venice high school building.

Also in the hand room, a bid of \$969 for an acoustical tile ceiling and a bid of \$396 for tile flooring, both from Wierer Tile Co. of Granite City, resulted in the awarding of contracts to that firm.

Wierer Tile Co. also was awarded a contract for the installation of tile flooring in the Venice high school commercial department on a bid of \$415, and another on a bid of \$524 for floor tiling in the high school TV room and student lounge.

General Contracting Co. of Granite City was awarded a contract for removal of old flooring in the TV room and student lounge and replacement with a concrete floor on a bid of \$950.

Diaphor Construction Co. of Venice bid \$1685 on the project, the only competitive bid listed by the school board for any of the improvement projects.

Rogers Roofing Co. of Granite City bid \$200 for replacement of siding on the south end of the Lincoln high school, to match siding already on the building, and was awarded a contract.

The school board deferred action on prices received from two plumbing and heating companies on new plumbing in two second floor rest rooms at the Venice grade-high school building, until such time as bids on related tile work can be obtained.

City's Salaries, Bills — \$54,014

City bills and salaries approved Monday night by Granite City council members totaled \$54,014, including \$36,531 for monthly salaries for city employees and \$17,483 for expenses during the two-week period since the last session.

Among the bills paid was \$658 to Engineer David J. Johnston, which consisted of \$1850 for services on Jerden avenue, \$1250 for Washington avenue track removal, \$3020 for the city's 1960 maintenance program and \$416 for regular monthly services during May.

Maintenance and repairs to city vehicles and equipment amounted to \$1080, while purchases of gasoline, oil and grease totaled \$562.

Water service, including hydro rental, totaled \$1213, and gas and electricity bills totaled \$810.

Other expenditures included \$73 paid to Leo Kamadinski for cutting weeds on 24 lots along Spruce street, owed by the city; \$87 paid to Biltmore Moving to move fire department equipment from 19th street to the new station, and payment of \$300 to City Building Inspector Earl Bloomquist as 50% of building permits issued in May.

Expense allowances on the bill list were \$30 to Alderman Steve Basarich, \$30 to Alderman Robert Gaughan, \$30 to Alderman Walter Nomm, \$30 to Alderman Casmer Skubish and \$30 to Civil Defense Director George W. Schumacher.

There was payment of \$3053 to the Illinois Municipal Retirement Fund as the municipality contribution of 8.92% of the May payroll.

State To Be Asked To Start Nameoki, 20th St. Projects

Mayor Davis was asked by Granite City council members Monday night to personally check with the state highway department to determine when widening and improvement projects for Nameoki road and for 20th street between Madison avenue and Edwardsville road are to be started.

Several council members said they understood the projects were to be started this spring and that city work along the two thoroughfares has been kept at a minimum for the past two years, waiting for the large-scale improvement projects.

Under an agreement with the state highway department, the work is to be carried out under a 50-50% arrangement, with the city paying the smaller cost. The mayor reported the city has fulfilled its obligation of providing plans and additional right-of-way for the state, but it was brought out the state might be delaying the Nameoki road project over the design of the intersection at the high school.

Nameoki road is to be widened to four traffic lanes with a median strip for its full length from Edwardsville road to the north city limits, while 20th street is to be widened from Madison avenue to Edwardsville road to provide four traffic lanes and a median strip. Alderman Casmer Skubish said he read in a Municipal Review that some 90-10 projects are being delayed because of a shortage of funds. The mayor was asked to confer with state highway department officials to determine when the two local projects are to be undertaken.

Three Street Lights To Be Installed Along Colgate

A resolution is to be prepared for installation of three street lights along Colgate avenue in the Lauders Park Estates subdivision. Alderman Emerald Dawos, chairman of the Light committee, told Granite City council members Monday night a request has been received for light to be installed at each of the three curves along Colgate avenue.

In a prescription even the package is important

The skill of the pharmacist and the high quality of ingredients alone cannot insure the effectiveness of your prescription. The package is important, too. . . . prevent loss of strength due to light penetration. That's why we use Armstrong AMBER bottles for all prescriptions. They prevent light damage. . . . insure prescription potency and flavor. Another important feature of our complete prescription service.
